## Everything you always wanted to know about Dentolegal but didn't like to ask

Thursday 03 September 2020

### Learning Objectives

The learning objectives of this webinar are:

- to help non-dentists understand the role of Dentolegal advisers and help dentists who are, or may wish to become, Dentolegal advisers.
- to understand the regulatory regime under which dentists work both under the NHS and Privately.
- to appreciate the role that Dentolegal advisers play both under the regulations and in working with the regulations.
- Look at the current training and positions of Dentolegal advisers and the way forward.
