

Consent form for photographs

Jan 2018 Review date Jan 2021 – check www.fflm.ac.uk for latest update

The medico-legal guidelines and recommendations published by the Faculty are for general information only. Appropriate specific advice should be sought from your medical defence organisation or professional association. The Faculty has one or more senior representatives of the MDOs on its Board, but for the avoidance of doubt, endorsement of the medico-legal guidelines or recommendations published by the Faculty has not been sought from any of the medical defence organisations.

Consent¹

I consent to the following photographs being taken of myself/a child for whom I have parental responsibility*

Areas to be photographed

I understand that these will be used:

- 1.* As part of the medical record of my examination, and that they may form part of a report based on that examination and may be revealed in subsequent court proceedings.
- 2.* For lectures and teaching purposes.
- 3.* For publication in medical journals, textbooks or similar publications. In which case I understand that:
 - a. The material will be published without my name attached and every attempt will be made to ensure my anonymity. It is possible that somebody somewhere – perhaps for example somebody who looked after me if I was in hospital or a relative may identify me;
 - b. The material may be published in medical journals world-wide which are distributed to doctors, healthcare professionals, and others, including journalists;
 - c. The material may also be placed on a world-wide web site;
 - d. The material may also be used by medical book publishers;
 - e. The material will not be used for advertising or packaging.
