

HIV PEP and PrEP – Wednesday 10 November 2021

Dr Amy Pearce

MBChB, MRCP, DipGUM, DFSRH, DipHIV

Dr Pearce graduated from University of Birmingham medical school in 2009. She began training in Sexual Health and HIV in Cornwall in 2013 and became a consultant in 2017.

She now works at Salisbury District Hospital. She is safeguarding lead for the department and has a special interest in vulnerable children and adults. She became a Sexual Offences Examiner in 2018 and works in the Southwest.
