

FFLM update on medical appraisals and supporting evidence – Monday 07 February 2022

Dr Ewa Wolska

MD, PhD, MFFLM, MEWI

Dr Wolska has over 20 years of experience in various aspects of Forensic Medicine. After she graduated in 2000, she had worked for 10 years at the Nicolaus Copernicus University in Poland as a Forensic Pathologist and academic teacher. Ewa has special interest in interpretation of injuries.

Ewa has been a Forensic Physician and Sexual Offence Examiner in the UK for the past 12 years. Currently, she holds a position of an Associate Medical Director and Paediatric Sexual Offence Examiner for Mountain Healthcare Ltd. Ewa is also a Senior Medical Appraiser and a Lead Appraiser for Mountain Healthcare Ltd. and British Pregnancy Advisory Service.

Learning Objectives

- To understand the scope and purpose of annual appraisal;
- To understand the types of evidence supporting annual appraisal;
- To be aware of the changes to the appraisal practice in the Covid-19 pandemic;
- To be aware of the GMC requirements for revalidation.
